Yes	No						

4. Confirm the *Available Versions* field is set to **FHC\_2023.1.16** (or higher) then select **[Start]** 

5. The Release Version will confirm when it's complete.

## Troubleshooting

If the system is unable to complete the upgrade for any reason, it will automatically roll itself back and you will see a prompt to contact POSitec Customer Support.

- You are still able to operate your system completely!
- Email <u>Support@POSitec.com</u> or call **1.800.667.4605** on the next business day

POSitec Customer Support will determine the cause of the issue and correct it so you can proceed with the upgrade.
